Curriculum Vitae

Employment

- 01/2022 – present **Researcher**
Department of Linguistics, University of Potsdam
- 10/2018 – 12/2021 **Junior researcher**
Department of Linguistics, University of Göttingen
- 10/2017 – 07/2018 **Lecturer**
Department of Linguistics, Goethe University Frankfurt
- 04/2013 – 08/2015 **Student tutor**
Department of Linguistics, Goethe University Frankfurt
- 10/2011 – 09/2015 **Student assistant**
Project *CARU*, Goethe University Frankfurt

Education

- 2018 – 2022 **PhD in linguistics**, University of Göttingen
Thesis title: *Optimal clitic positioning in Czech and beyond*
Committee: Stavros Skopeteas, Götz Keydana, Uwe Junghanns
- 2014 – 2017 **MA in linguistics**, Goethe University Frankfurt
Subjects: syntax and phonology
Thesis title: *Coordinated numeral phrases in Czech*
Supervisors: Katharina Hartmann, Andreas Pankau
- 2011 – 2014 **BA in linguistics**, Goethe University Frankfurt
Thesis title: *Die Produktion von Subjekt- und Objektrelativsätzen im Deutschen und Tschechischen*
Supervisors: Petra Schulz, Alexander Thiel
- 2009 – 2012 **Teaching degree for secondary schools**, Goethe University Frankfurt
Subjects: German and French

Publications and Theses

- under review *Czech clitics as optimally positioned feature realisations*. To appear in: Special issue on the occasion of the 25th anniversary of Franks and King's "Handbook of Slavic clitics". Journal of Slavic Linguistics.

- to appear *Consequences of head argument order for syntax*. With Andreas Hölzl. To appear in: Proceedings of the workshop “Gisbert Fanselow’s contributions to syntactic theory”, Berlin.
- 2022 *Optimal clitic positioning in Czech and beyond. Clitic syntax, morphology, and prosody from a constraint-based perspective*. Unpublished PhD thesis, Göttingen.
- 2019 *Clitics at the interfaces of grammar: Defining the “first position” in Czech*. Proceedings of the conference “Typology of morphosyntactic parameters”, vol. 2, iss. 1, Moscow.
- 2017 *Czech numeral phrases in coordinated structures*. Unpublished Master thesis, Frankfurt.
- 2014 *Die Produktion von Subjekt- und Objektrelativsätzen im Deutschen und Tschechischen*. Unpublished Bachelor thesis, Frankfurt.

Refereed Talks

- 09/2023 *The role of subjects in the VO/OV dichotomy*. With Andreas Pregla. Conference “Topic, focus and subject”, Osnabrück.
- 04/2023 *Fanselow (2022): Consequences of head argument order for syntax*. With Andreas Hölzl. Workshop on Gisbert Fanselow’s contributions to syntactic theory, Berlin.
- 09/2021 *Czech clitic placement and the left periphery: A constraint-based argument*. Annual meeting of the Slavic Linguistics Society, Urbana, Illinois (remote).
- 03/2020 *Clitic and non-clitic forms of ‘to be’ in Czech*. Workshop on grammatical (non-)identity at DGfS 42, Hamburg.
- 10/2019 *Clitics at the interfaces of Grammar: Defining the “first position” in Czech*. Conference “Typology of morphosyntactic parameters”, Moscow.
- 03/2019 *Clitics at the Interfaces of Grammar: Evidence from Czech*. Conference “Norddeutsches linguistisches Kolloquium”, Osnabrück.

Further Talks

- 05/2023 *Wir denken, dass ihr hier am Ende etwas über Sprache gelernt werdet haben. Untersuchungen zur Wortfolge in den Sprachen der Welt*. Tag der Wissenschaften, Potsdam.
- 02/2023 *Head-argument order and its consequences. How typically VO is West Slavic?*. Slavic linguistics colloquium, Berlin.
- 07/2022 *Aspects of the OV/VO alternation*. With Andreas Hölzl. Workshop of the linguistic CRCs, Berlin.

05/2022	<i>How to optimally place your clitics. Czech clitic syntax in a constraint-based model.</i> Slavic linguistics colloquium, Berlin (remote).
05/2022	<i>“Weil das ist schlechtes Deutsch!” Dürfen wir anders sprechen als schreiben? Ein Einblick in (nicht-)linguistische Fragestellungen.</i> Tag der Wissenschaften, Potsdam.
02/2021	<i>Where do Czech clitics go, and why? A constraint-based analysis.</i> Syntax colloquium, Frankfurt (remote).
02/2021	<i>An OT account of Czech clitic placement.</i> General linguistics colloquium, Göttingen (remote).
02/2020	<i>Clitic and non-clitic auxiliaries in Czech.</i> General linguistics colloquium, Göttingen.
10/2019	<i>Klitika im Tschechischen: “Reduzierte Wörter” und ihre Position im Satz.</i> Insights into the humanities, Göttingen.
06/2019	<i>Klitika im Tschechischen: Syntax und Prosodie.</i> Slavic linguistics colloquium, Göttingen.
01/2019	<i>“Weil das ist schlechtes Deutsch!” Dürfen wir anders sprechen als schreiben?</i> Outreach event “Nacht des Wissens”, Göttingen.

Teaching

2023 (winter)	BA course <i>Einführung in die Linguistik</i> , Department of Linguistics, Potsdam.
2023 (summer)	BA course <i>Syntax des Tschechischen</i> , Department of Linguistics, Potsdam.
2022 (winter)	BA course <i>Einführung in die Linguistik</i> , Department of Linguistics, Potsdam.
2022 (summer)	BA course <i>Syntax des Tschechischen</i> , Department of Linguistics, Potsdam.
2021 (winter)	BA course <i>Einführung in die Syntax (Patholingustik)</i> , Department of Linguistics, Potsdam.
2021 (summer)	BA course <i>Syntax II</i> , Department of Linguistics, Göttingen.
2020 (winter)	BA course <i>Übung zur Einführung in die Allgemeine Sprachwissenschaft</i> , Department of Linguistics, Göttingen.
2020 (summer)	BA course <i>Übung zur Einführung in die Phonologie</i> , Department of Linguistics, Göttingen.
2019 (winter)	BA course <i>Übung zur Einführung in die Allgemeine Sprachwissenschaft</i> , Department of Linguistics, Göttingen.
2019 (summer)	BA course <i>Übung zur Einführung in die Phonologie</i> , Department of Linguistics, Göttingen.
2018 (summer)	BA course <i>Phänomene der Syntax</i> , Department of Linguistics, Frankfurt.
2017 (winter)	BA course <i>Phänomene der Syntax</i> , Department of Linguistics, Frankfurt.
2013–2015	Student tutor for courses in the BA linguistics (Typology, Syntax, Mathematics), Department of Linguistics, Frankfurt.

Student Supervision

Master thesis	Azaliia Mustafina (University of Potsdam). 2023. <i>Suspended affixation in Tatar language</i> . First examiner.
Bachelor thesis	Jeniffer Porto Rodrigues Callou (University of Potsdam). 2022. <i>Investigations of superiority effects in Brazilian Portuguese</i> . First examiner.
Master thesis	Jacqueline Krebs (University of Göttingen). 2021. <i>Die frühen Stufen des Phonologieverwerbs und die Anreicherung phonologischer Theorien durch phonetischen Realismus</i> . Second examiner.

Further Academic Activities

11/2022 – present	Employee representative in the linguistics professorium, University of Potsdam.
04/2023 – 07/2023	Co-organiser of the syntax-semantics colloquium, University of Potsdam.
05/2022	Participation in the workshop “Disputationstraining” of the Potsdam graduate school, University of Potsdam.
09/2021	Participation in the summer school “FieldLing”, Paris.
05/2019 – 03/2020	Mentor for a student interested in a PhD in the programme “movement”, University of Bielefeld.
08/2019 – 12/2019	Co-organiser of the workshop “Number and plurality”, University of Göttingen.

Memberships

since 2020	Member of <i>Deutsche Gesellschaft für Sprachwissenschaft</i> (DGfS) Activities: accounts auditor, member of the working group for climate protection
since 2021	Member of <i>Slavic Linguistics Society</i> (SLS) passive membership

Languages

native	German
fluent	English
proficient	Czech, French
advanced	Italian, Russian
basic	Spanish, Arabic
